Inspiring account of how homeopathy can lead to deep healing By Sarah E Murray This book is a fine introduction to the sensation method of homeopathy. Dr. Sankaran takes us through three cases in detail, slowly unrolling them for us so readers have an opportunity to spot the patterns for ourselves before being told his analysis and remedy choice. As a student of homeopathy, I found this a lucid account of how to apply the sensation method and an inspiring account of how homeopathy can lead to deep healing at the emotional and spiritual as well as physical levels. 0 of 1 people found the following review helpful. Five Stars By Dina G. Good book. Good price. Fast shipping.

Why is it that, sometimes, a single pattern repeats itself endlessly through every sphere of an individual's life, despite their best efforts to change it? Using his path-breaking method of diagnosis, the sensation method, Dr Sankaran explains that an individual's perception of stress is shaped by an inner pattern, or song, which is connected to one of the three kingdoms in nature animal, plant or mineral. Identifying this fundamental connection enables homeopaths to cure ailments at their root. Insightful, accessible and lucid, Natural Kingdoms tells the story of the homeopathic process through the case studies of three individuals it will encourage you to discover your own inner song to bring about better health and harmony in your life.
